### EDUCATIONAL TOUR REPORT-2025-26

#### 1. Department resolution

##### Botany Department – Resolutions on Educational Tour (September 23–27, 2025)

The Department of Botany resolved to organize an **educational tour** from the **evening of 23rd September to the morning of 27th September 2025** with an objective to enhance experiential learning and field-based understanding of biodiversity, conservation, and applied plant sciences. The following resolutions were made:

1. It was resolved that **50 UG and PG students** would participate in the educational tour along with **four faculty members** of the department.
2. The tour itinerary included visits to **Hogenakkal** to study riverine and hill biodiversity and to **Mettur Dam water reserve** to understand aquatic and riparian ecosystems.
3. It was resolved to study the **floral diversity and ecological adaptations** at **Ooty**, along with visits to the **Tea Factory** and **Government Botanical Garden** to understand industrial and horticultural practices.
4. The team resolved to visit the **Botanical Survey of India (Coimbatore)** and the **Institute of Forest Genomics and Tree Breeding** to gain insights into ongoing research, plant taxonomy, conservation, and genetic improvement of forest species.
5. A visit to the **ISHA Foundation Meditation Centre** was resolved to promote awareness of environmental harmony, sustainable living, and the interrelationship between nature and wellness.
6. It was resolved that all students would maintain **field diaries**, record **observations on biodiversity and ecological conditions**, and submit reports after returning.
7. The faculty members were assigned responsibilities for **supervision, safety, academic guidance, and documentation** of the tour outcomes.

These resolutions were approved in the departmental meeting and forwarded to the Principal for necessary permission and arrangements.

Respected Sir,

We, the students of the Departments of Botany, Zoology, Economics, Mathematics, Physics, and Computer Science, request your kind permission to organize an Educational Tour for both UG and PG students from 24th to 26th September, 2025.

The proposed tour is planned to Ooty and Coimbatore, which will provide us with valuable exposure to biodiversity, scientific research facilities, and academic enrichment relevant to our subjects. Along with academic learning, this tour will also help us build teamwork, discipline, and practical understanding.

We assure you that all arrangements regarding travel, accommodation, and safety measures will be properly taken care of under the guidance of our faculty members.

We kindly request you to grant us permission to proceed with this educational tour.

Thanking you,

Yours obediently,

I am pleased to inform you that the **UG and PG students of the Department of Botany, Government Degree College, Puttur, Andhra Pradesh**, along with faculty members, are planning an educational tour. As part of this program, we wish to visit the **Botanical Survey of India, Coimbatore, on 26th September, 2025.**

The purpose of this visit is to provide our students with exposure to herbarium collections, **taxonomy practices, biodiversity documentation, and other scientific resources** available at your esteemed institution. This experience will greatly enrich their academic learning and practical knowledge.

I, therefore, request you to kindly grant permission for our students and staff to visit your institution and extend your cooperation for the same.

2. Parents Permission letters  
3. Education Tour-Programme Schedule

\*\*\*\*\*

With reference to the above subject and references, we the faculty members of Dept. of Botany, Economics, Zoology and Chemistry of our college are unanimously resolved to organize a three-day educational tour to Ooty and Coimbatore, Dt. 24<sup>th</sup> to 26<sup>th</sup> September, 2025

As per the curriculum of both UG and PG students are need to undergo at least one educational tour per academic year. A batch of 50 students accompanied by 5 faculty members is planning to visit ( List enclosed).

The main objective of the education tour (Botanical Tour) is to create and support collection of native taxa and to preserve for *ex situ* conservation and sustainable utilization of plant materials. During the educational tour our students shall study the plant species and their diversity in the fields, nursery gardening techniques, floriculture, landscape projects, botanical gardens, national parks, study of tea plantation, cultivation, cropping system, maintenance, tea processing and research activities at Botanical Survey of India at Coimbatore.

The findings and outcomes of the educational tour will be submitted in the form of tour report by the students and faculty.

Hence, we request you to kindly grant permission to undergo the proposed educational tour to Ooty & Coimbatore and extend needful support to our students and faculty as per the guidelines.

This is for your kind acceptance and necessary action

Thanking you

### EDUCATIONAL TOUR REPORT-2025-26

#### 6. *Educational Tour Report*

The Department of Botany organized an **Educational Tour** for both Undergraduate and Postgraduate students from **23rd evening to 27th morning of September 2025**. The main objective of the tour was to provide experiential learning opportunities and practical exposure to biodiversity studies, ecosystem observation, and botanical research institutions. A total of **50 students** along with **four faculty members** participated in this academic tour. The itinerary included visits to **Hogenakkal, Mettur Dam, Ooty, and Coimbatore** covering various aspects of biodiversity, plant taxonomy, ecology, and conservation.

#### **Journey Day – 0: 23.09.2025 (Tuesday)**

- The tour commenced at **9.00 PM** from **Government Degree College, Puttur**.
- Students and faculty members boarded the bus with great enthusiasm, marking the beginning of the educational journey to **Hogenakkal**.

#### **Day 1: 24.09.2025 (Wednesday) – Hogenakkal and Mettur Dam**

- The team reached **Hogenakkal** at **6.00 AM** and refreshed.
- Fieldwork began with the **collection and identification of hydrophytes** around the **Hogenakkal Waterfalls**, emphasizing aquatic plant diversity and ecological adaptations.
- After breakfast at **10.00 AM**, the group departed for **Mettur Dam** at **11.30 AM**.
- Following lunch at Mettur Dam, students carried out **plant collection and ecological observations near water bodies** until 3.30 PM.
- The journey continued towards **Ooty**, where the group arrived in the evening.
- **Night stay** was arranged at **S.K. Rooms Dormitory, Ooty**.

#### **Day 2: 25.09.2025 (Thursday) – Ooty and Coonoor Biodiversity Study**

- From **9.00 AM to 1.00 PM**, students explored and collected various taxa across Ooty's rich biodiversity spots:
  1. **Government Botanical Garden** – observation of exotic and native flora.
  2. **Dodda Betta** – study of montane vegetation.

**GOVERNMENT DEGREE COLLEGE, PUTTUR**  
**DEPARTMENT OF BOTANY**  
**EDUCATIONAL TOUR REPORT-2025-26**

3. **Ooty Lake** – identification of hydrophytes and ornamental species.

4. **Rose Garden** – study of ornamental horticulture and floral diversity.

- Lunch was provided at the Rose Garden.
- In the afternoon (2.00 PM to 6.00 PM), the group visited **Coonoor** for herbarium collection and sightseeing:
  1. **Sim's Park** – analysis of introduced and endemic species.
  2. **Dolphin's Nose and Lamb's Rock** – study of landscape ecology and vegetation patterns.
- Dinner was served at **S.K. Rooms Dormitory** followed by a **campfire (9.00–10.00 PM)**, encouraging cultural exchange and student interaction.

**Day 3: 26.09.2025 (Friday) – Coimbatore Visits**

- The team departed **Ooty at 6.00 AM** and reached **Coimbatore by 9.30 AM**, followed by breakfast.
- Visits to premier scientific institutions were conducted as follows:
  - **10.30–12.00 PM** – Visit to **Botanical Survey of India (BSI), TANU Campus** where students learned about **taxonomic research, herbarium techniques, and floristic documentation**.
  - **12.00–1.30 PM** – Visit to the **Institute of Forest Genetics and Tree Breeding (IFGTB)** to understand **forest biodiversity, tree breeding programs, and conservation genetics**.
- Lunch was arranged at IFGTB premises.
- Post-lunch, the team visited the **Isha Foundation (2.30–6.00 PM)**, exploring the **Meditation Centre and Cultural Heritage Centre**.
- The visit concluded with a **Laser Show on India's Cultural Heritage (7.00–7.30 PM)** followed by dinner at **8.00 PM**.
- The group began the **return journey to Puttur** that night.

**Day 4: 27.09.2025 (Saturday) – Arrival at Puttur**

- The team reached **Government Degree College, Puttur** safely in the morning by 8.00am, marking the successful completion of the educational tour.

### EDUCATIONAL TOUR REPORT-2025-26

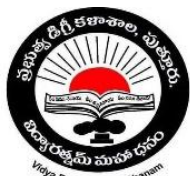

#### Outcomes of the Tour

- Students gained **hands-on** experience in **plant collection, identification, and herbarium preparation**.
- Exposure to **aquatic, terrestrial, and montane ecosystems** deepened their understanding of biodiversity and ecological adaptations.
- Visits to **research institutions (BSI and IFGTB)** enhanced students' awareness of current trends in **taxonomy, forestry, and plant biotechnology**.
- The tour fostered teamwork, environmental awareness, and appreciation for nature conservation among students.

#### Acknowledgment

The **Department of Botany** expresses its heartfelt gratitude to:

- **Principal Dr. B. Chandra Mouli** and **Vice Principal Dr. G. Koteswaraiah** for their encouragement and support in organizing this educational tour.
- **Dr. J. Koteswara Rao**, In-Charge, Department of Botany, for planning and coordinating the entire schedule.
- Faculty members **Sri T Narasimhulu**, in-charge Dept. of Economics **Dr. P. Sujana**, and **Dr. V Babu Rao** for accompanying and guiding the students throughout the trip.
- The management, administrative staff, and transport coordinators for their logistical assistance.
- Finally, sincere appreciation goes to all **UG and PG students** whose active participation, discipline, and enthusiasm made the tour a memorable and academically enriching experience.
