3. Date	01/07/2025
4. Name of the Guest & Designation involved in the Activity	Dr. B Chandramouli, Principal, Govt. Degree College, Puttur
5. Number of students participated	25
6. Number of faculty involved	3
7. Aim & Objectives:	The aim is to maintain garden greenery and clean the pond to initiate the cultivation of organic leafy vegetables in a healthy and sustainable environment.
8. Brief Report	<p>The Department of Botany, in collaboration with the Eco club, organized a garden bush clearance programme before the onset of monsoon to prepare the land for the next phase of organic leafy vegetable cultivation on 01/07/2025 in Campus Botanical Garden. The overgrown bushes were cleared, and the garden land was levelled and divided into small nursery plots. These plots were allotted to III B.Sc. Botany students to carry out further cultural practices such as sowing, weeding, and organic manuring. In addition to land preparation, the campus water pond was thoroughly cleaned to support the growth of hydrophytes. The activity was actively supported by Principal Dr. B. Chandramouli, Botany faculty, and enthusiastic student participants. The initiative aimed to promote hands-on learning, sustainable horticultural practices, and environmental awareness among students.</p>
9. Outcome:	<ol style="list-style-type: none">1. Created a clean, green, and organized space conducive to the cultivation of organic leafy vegetables and aquatic plants.2. Provided hands-on learning experience for students in sustainable farming and environmental maintenance practices.
