2. Name of the Lecturers' Organizing	Dr. Koteswara Rao, In charge of Botany Dept. Smt. S. Padmavathi, Lecturer in Botany Dr. P. Sujana, Lecturer in Botany NSS Programme officers
3. Date	18/07/2025
4. Name of the Guest & Designation involved in the Activity	Dr. B Chandramouli, Principal, Govt. Degree College, Puttur
5. Number of students participated	30
6. Number of faculty involved	6

7. Aim & Objectives:

To raise awareness among the public about the harmful effects of plastic pollution on the environment, health, and biodiversity.

8. Brief Report

A rally against plastic pollution was organized by the NSS units and Botany department of Government Degree College, Puttur, on 18/07/2025. The event aimed to raise awareness about the environmental hazards caused by excessive use of plastic. Principal Dr. B. Chandramouli flagged off the rally and motivated the students to become ambassadors of environmental protection. IQAC Coordinator Dr. P. Sujana emphasized the importance of reducing single-use plastics and adopting eco-friendly alternatives. Botany Department in-charge Dr J Koteswara Ro, faculty Smt. S. Padmavathi, NSS Programme Officers Dr. V. Babu Rao and Dr. K. Srinivasulu coordinated the rally and encouraged students to take the message to the broader community. 45 Students carried placards with slogans such as "Say No to Plastic," "Choose Reuse," and "Protect Nature, Avoid Plastic." The rally passed through key locations in the town, drawing the attention of the public and local vendors. Participants also distributed pamphlets educating people about plastic pollution and sustainable practices. Faculty members actively supported and accompanied the students during the rally. The event successfully spread awareness and reinforced the commitment of the college to a cleaner and greener environment

9. Outcome:

1. Enhanced public awareness on the dangers of plastic pollution and the need to adopt eco-friendly alternatives.
2. Motivated students and local community members to actively participate in reducing, reusing, and recycling plastic materials.
