Sankranti Sambaralu – Celebration of Sankranti Festival

The Women Empowerment Cell organized a two-day cultural programme titled “Sankranti Sambaralu – Celebration of Sankranti Festival” on 08 and 09 January 2026, aiming to preserve Indian traditions, promote cultural integration, and strengthen values of unity, equality, and respect among students and staff. The celebrations commenced with the campus decorated in festive themes, with students and faculty participating in traditional attire. Day-1 featured Mehendi and Rangoli competitions that showcased creativity while highlighting themes of harvest, tradition, and women empowerment. Day-2 marked the main festivities with Bhogi Mantalu, Pongal preparation, traditional costumes, folk dances, and Sankranti songs, creating a vibrant and inclusive atmosphere. A special highlight was the eco-friendly Gowramma idol prepared by the Department of Botany and taken in a traditional procession from Saraswathi Temple, Puttur to the college campus, symbolizing prosperity, womanhood, and environmental consciousness. As part of the celebrations, new clothes were distributed to Guest Faculty and Non-Teaching Staff, reinforcing inclusiveness and mutual respect within the institution.

Remedial Coaching for Slow Learners

The IQAC and Academic Cell organized remedial coaching sessions from 21 January 2026 to 31 January 2026 for slow learners across all I Semester undergraduate programmes, under the close guidance and supervision of the respective class mentors. The programme was initiated as part of the institution's continuous quality enhancement measures, with the primary objective of strengthening students' academic foundations and supporting learners who required additional academic assistance. The initiative focused on identifying individual learning gaps through continuous assessment and mentor feedback. Class mentors played a pivotal role in diagnosing students' academic difficulties and designing focused remedial strategies tailored to subject-specific needs. Dedicated sessions were conducted to reinforce fundamental concepts, clarify doubts, and improve problem-solving skills through simplified explanations, additional practice exercises, and interactive discussions. Special emphasis was placed on enhancing conceptual clarity and subject comprehension, enabling students to build confidence in core areas of study. Faculty members provided personalized academic guidance, encouraged active participation, and closely monitored student progress throughout the programme.

National Girl Child Day

The Women Empowerment Cell organized the National Girl Child Day – Awareness and Empowerment Programme on 24 January 2026, with the objective of promoting education, equality, and holistic development of girls. National Girl Child Day, observed annually as an initiative of the Ministry of Women and Child Development, Government of India, focuses on addressing issues related to education, health, safety, and gender discrimination.

The programme was conducted under the leadership of the Principal, with active coordination by the Women Empowerment Cell. The inaugural session emphasized education as the most powerful tool for empowering the girl child and highlighted the long-term impact of investing in girls for national development. Speakers also deliberated on constitutional safeguards, government initiatives, and legal provisions supporting girl child welfare, while stressing the importance of institutional efforts in advancing gender equity and inclusive education. Faculty members from various departments shared perspectives on gender sensitivity and equal

opportunities, and volunteers from NSS, RRC, and YRC facilitated interactive discussions among students. The Women Empowerment Cell Coordinator played a pivotal role in conceptualizing and organizing the programme, motivating students—especially girl students—to recognize their rights, self-worth, and leadership potential. The programme witnessed enthusiastic participation from students and staff, resulting in increased awareness of girl child rights, enhanced confidence among girl students, and a strengthened sense of social responsibility.

National Girl Child Day Celebrated at Government Degree College, Puttur

DECCAN FREEDOM NEWS
Puttur

A meeting to mark National Girl Child Day was organized at the Government Degree College, Puttur, under the aegis of the college's Women Empowerment Cell. Addressing the gathering, Principal Dr. B. Chandramouli said parents should not show any negligence towards the education of girl children and emphasized that equal opportunities must be provided to girls without discrimination.

He stated that National Girl Child Day, observed every year on January 24 across India, aims to promote awareness about the rights, safety, education, health and equality of girls. He urged society to pay special attention to empowering girls and to treat them on par with boys in all aspects of life.

Other speakers highlighted that both the Central and State governments are implementing several schemes for the welfare and development of girls, including "Beti Bachao Beti Padhao" and "Sukanya Samridhi Yojana," to encourage education and financial security for girl children.

The programme was attended by Women Empowerment Cell convener Dr. Kanderi Sridevi, Dr. P. Sujana, Dr. P. Gayatri, Dr. Sujala Swapna Smita, Dr. M. Sharmila, Mrs. S. Padmavathi, Dr. Kiranmayi, along with faculty members and students.

National Voters' Day

The Department of Political Science organized the 16th National Voters' Day on 25 January 2026 with the theme "My India, My Vote" and the tagline "Citizen at the Heart of Indian Democracy." The programme was conducted in accordance with the guidelines of the Commissionerate of Collegiate Education, Andhra Pradesh to promote democratic awareness and encourage youth participation in the electoral process.

The celebration marked the foundation day of the Election Commission of India and highlighted the importance of voting as a fundamental democratic right and civic responsibility. The Principal inaugurated the programme, emphasizing that active voter participation forms the backbone of a strong democracy. Faculty members and coordinators addressed students on constitutional values, ethical voting, and the relevance of the 2026 theme, stressing that every vote counts in nation-building.

A key feature of the event was the administration of the National Voters' Day Pledge, where students and staff reaffirmed their commitment to uphold democratic traditions, participate in elections without fear or inducement, and reject all forms of discrimination. The programme successfully enhanced students' understanding of democratic rights and duties, motivated them to register as voters, and strengthened civic consciousness. Overall, the celebration reinforced the institution's commitment to nurturing informed, responsible, and empowered citizens.

"Political democracy cannot last unless there lies at the base of it social democracy."

College Planning and Development Committee (CPDC) Meeting

The College Planning and Development Committee (CPDC) Meeting of Government Degree College, Puttur, was held on 29 January 2026 at 11.00 AM in the Principal's Chamber. The meeting was convened to review the academic, administrative, and infrastructural development of the institution and to plan future strategies in line with NAAC quality standards.

The meeting was presided over by the Principal and President of CPDC, Dr. B. Chandramouli, and coordinated by the Secretary of CPDC, Dr. G. Koteswaraiah, Vice Principal (Administration). CPDC members representing academic, technical, philanthropic, alumni, and social sectors actively participated in the deliberations.

In his address, the Principal presented an overview of student academic performance, institutional achievements, and initiatives taken to strengthen teaching-learning processes and student support services. He also highlighted administrative measures adopted for effective academic planning and faculty coordination. The Principal drew the attention of the committee to major infrastructural challenges, including water leakage and structural damage in old buildings, and sought expert guidance for sustainable infrastructure development.

“Strong institutions are built when leadership and expertise come together with a shared vision.”

Observance of Martyr’s Day – Tribute to Mahatma Gandhi

Government Degree College, Puttur observed Martyr’s Day – Tribute to Mahatma Gandhi on 30 January 2026 in the College Premises with deep reverence and solemnity, under the able presidency of Dr. B. Chandramouli, Principal. The programme was organized to commemorate the supreme sacrifice of the Father of the Nation and to reaffirm the relevance of his timeless ideals among the younger generation.

The observance began with the offering of floral tributes to Gandhi’s statue by the Principal, followed by two minutes of silence observed by all faculty members and students as a mark of respect and remembrance. Addressing the gathering, the Principal eloquently highlighted Gandhi’s enduring message of truth, non-violence, peace, and Satyagraha, and emphasized that his contributions extended far beyond India’s freedom struggle to encompass social reform, communal harmony, and moral awakening.

He urged students to internalize Gandhian values such as simplicity, integrity, self-discipline, and service to society, stating that practicing these principles in everyday life would be the most meaningful tribute to the great leader.

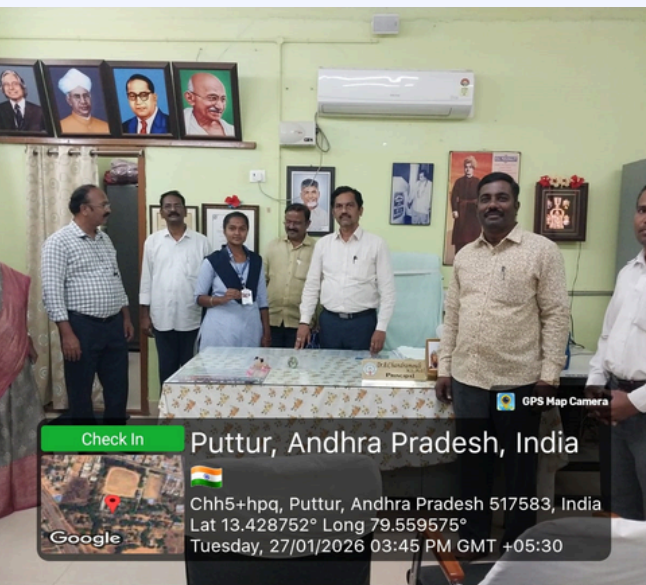

The Vice Principal, Heads of Departments, and several faculty members were present and actively participated in the programme. The observance created a reflective atmosphere on campus and served as an important platform to inculcate moral, ethical, and national values among students.

Distribution of Identity Card

The Identity Card Distribution Programme for first year students was held on 27 January 2026 at the college premises. The programme was presided over by the Principal, Dr. B. Chandra Mouli, who personally distributed identity cards to the first year students. The faculty members of the college actively participated in the programme and assisted in the smooth conduct of the distribution process. While addressing the students, the Principal emphasized the importance of carrying the identity card at all times within the campus and maintaining discipline and decorum as responsible members of the institution. He also briefed the students about the significance of the identity card in accessing academic facilities, library services, examinations, and other institutional activities.

National Youth Day

The Department of Telugu organized the Birth Anniversary of Swami Vivekananda on 12 January 2026 at the college campus. The programme commenced with a floral tribute to the statue of Swami Vivekananda. Faculty members highlighted his life and teachings, emphasizing youth empowerment, self-confidence, and moral values. Teaching staff, non-teaching staff, and students actively participated. The event inspired students towards character building and national service.

Admission Drive

Government Degree College, Puttur successfully conducted an Admission Drive for the Academic Year 2026–2027 with the objective of creating awareness among Intermediate and SSC passed students about the academic programmes, infrastructure, student support services, and career opportunities offered by the institution. Under the leadership of the Principal and coordinated by faculty members, teams of lecturers visited nearby Junior Colleges and ZPHS Plus Schools and interacted directly with prospective students. Through structured presentations and counselling sessions, students were informed about undergraduate programmes under the Single Major System, experienced faculty, affordable government-supported education, and the student-centric learning environment. The outreach also highlighted the college's key facilities, including well-equipped laboratories, advanced computer labs, ICT-enabled classrooms, a central library, and research support. Student support systems such as Jawahar Knowledge Center, Skill Development Centre, Women Empowerment Cell, Grievance Redressal Cell, NSS, NCC, and opportunities

through online learning platforms like SWAYAM were explained to emphasize holistic academic and career development.

The drive received a positive response from students and significantly enhanced the institution's visibility in surrounding areas. With active participation from all faculty members, the programme effectively guided prospective learners in making informed decisions about higher education and strengthened student interest in enrolling for the Academic Year 2026–2027.
