# GOVT. DEGREE COLLEGE PUTTUR, TIRUPATI DISTRICT

#### THE BULLETIN

"We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet."

So, our college is committed towards providing the complete form of education to the student community of rural areas. It's my pleasure to bring out the college level activities during November 2023 in the form of newsletter.

Dr. G. Koteswaraiah Principal

### Clean and Green Program

The NSS Unit of the College organised a clean and green Programme under the Swachh Bharat Mission. The NSS volunteers actively participated in the program. They cleaned the campus and premises of the College by cutting and plucking unwanted weeds and cleared unwanted grass to make the campus a lot more healthier, greener and cleaner.

## Long-term Internship Viva-voce

The college had arranged Viva-Voce of final year B.Sc. and B.Com. students who had completed their long-term Internship project. Viva Voce was conducted on 03-07-2024 in the college. The faculty of the concerned departments including external examiners were involved in conducting it as per the University norms.

#### Skill-hub Course Certificate Distribution

The Skill hub centre of the College distributed certificates to the candidates who have completed Domestic Data Entry Operator Course on 16-07-2024. Principal Dr. G. Koteswariah, Vice - Principal Sri V. Veeriah, Skill - hub Coordinator Mr. Rassul, trainer Mr. Afrin were present in the program.

#### **Guest Lecture**

The Dept. of Botany initiated cultivation of organic leafy vegetable and other vegetables in the Botanical Garden as one of the best practices of the Department.

The students of III B.Sc. (BZC, BBC & MBC) are engaged in the leafy vegetable and other vegetable cultivation by collecting the best varieties of the crop from their villages followed by planting, maintenance and monitoring of the plants with proper irrigation and organic manure.
