DISASTER MANAGEMENT SEMINAR

04-06/09/2018

A 3-day seminar was organized by YRC, through Red cross society about how to give First aid treatment, about remedies when fire accident occurred. Nearly 40 students participated in this seminar which was a huge success.

TREE PLANTATION

Date:23/10/2018

The main motive of this event is to plant trees all over the college to make the campus green and pollution free. In this event tree samplings were planted around the college with association with 'NSS'.

BLOOD DONATION CAMP

A One - Day Blood Donation Camp was jointly organized by Youth Red Cross in the college premises on 17th November, 2018 along with NSS unit.

World Aids Day Rally

01/12/2018 was celebrated by students of this, to create awareness about AIDS-a dreadful disease, among the people in the community. A number of activities were organized not only to mark significance of maintaining good health but also for causes & prevention of AIDS.

The faculty and students participated and went as rally to create general awareness, thus made the celebration a success.
